

Posting an Announcement

Note: The images in this tutorial may appear differently but that the procedures are the same.

2) Select the "Member Announcements" menu link

1) If you're a current member and have created a password then login before posting up an announcement. If you haven't created a password refer to the tutorial on the "FAQ" menu for creating one.

Member Announcements RSS

New this Fall!

This new blog has been created to provide members a way to post announcements of exhibits and galleries they have work in. This is open to the public for viewing and posting of comments but is only available to members for posting of new announcements.

Members:

To post an announcement you'll need to be logged in.

This is a test announcement by Chris Eggers
